 Section 

 Parish 

 Area 

 Preferred location of water meter:  metres from left boundary **OR**  metres from right boundary

**Part 3: Acknowledgement and consent**

By completing and signing this form the applicant confirms that the property survey pegs are clearly visible, a peg is placed where the water meter is to be installed, and the water main is available where the meter peg is placed. The applicant may be required to install and maintain a testable backflow prevention device. Installation delays will occur if these conditions are not met.

I/ we, the property owner(s), agree to keep the water meter accessible for reading and maintenance purposes with a minimum of 1 square metre of ground space around and 1.5 metre of air space above the meter at all times.
